Summary

Motivated software developer with hands-on experience in building and deploying full-stack web applications through freelance projects and personal development. Proficient in modern frameworks like Django and React.js, with expertise in integrating cloud platforms such as AWS and Azure. Skilled in solving technical challenges and delivering scalable, client-focused solutions.

Experience

Accenture | Associate Software Engineer | Bangalore, India | Aug 2022 – May 2023

- Provided cloud operations support using AWS and Azure, ensuring smooth system performance.
- Delivered project reports, enhancing client communication and decision-making processes.

Inamakes Info Tech | Junior Python Django Fullstack Intern | Kochi, India | Aug 2022 – Nov 2022

- Built Django full-stack web applications and deployed them on live platforms with 99% uptime.
- Gained hands-on experience in Flask, Django, and modern web technologies.

Projects

Sportzone Turf Booking | Django Full Stack Project

- Developed a turf booking platform with customer, turf owner, and admin modules.
- Implemented slot booking, management, and admin functionalities.
- **Technologies:** HTML, CSS, JavaScript, SQLite, Django, Bootstrap, Ajax
- **Live:** [Sportzone](#) | **GitHub:** [Repository](#)

E-commerce App | Django Fullstack Project

- Built an e-commerce platform with cart functionality and admin panel.
- Utilized Django REST framework and MySQL for efficient back-end operations.
- **Technologies:** HTML, CSS, JavaScript, MySQL, Django, Bootstrap
- **Live:** [E-commerce App](#) | **GitHub:** [Repository](#)

Live Weather App | React.js API-Based Project

- Developed a weather app using OpenWeatherMap API for real-time data.
- **Technologies:** React.js, Bootstrap, REST API
- **Live:** [Weather App](#) | **GitHub:** [Repository](#)

Skills

Technical Skills:

- **Web Development:** HTML, CSS, JavaScript, React.js, Django
- **Backend:** Python, PHP, MySQL
- **Cloud & Tools:** AWS, Azure, Git
- **Familiar:** Data Structures & Algorithms, C, C++, Java, AWS, Azure, Flutter, Bootstrap

Soft Skills:

- Teamwork, Problem-Solving, Adaptability, Time Management, Work Ethic, Communication

Education

- **St. Berchmans College, Changanacherry (BCA)** | Kerala, India | July 2023 – CCPA: 8.97
- **T.H.S.S Mallappally (12th)** | Kerala, India | July 2020 – 81%
- **N.S.S.H.S Kunnampally (10th)** | Kerala, India | July 2018 – 100%
